

Played Tie Game

Those who were fortunate enough to see the high school teams of Mulvane and Clearwater play last Saturday afternoon, were more than pleased with the exhibition. While the game ended in no score, it was in reality a victory for Mulvane, for Clearwater had beaten Mulvane earlier in the season by a score of 29 to 0. Both teams had improved since then, and the fact that Mulvane was able to hold her heavier rivals was really a Mulvane victory.

The game was clean and very free from penalties. The referee grabbed one Clearwater boy who was caught slugging and warned him that he would be put out of the game if there were more of it. Much of the game was played in Mulvane territory and often right up around the Mulvane goal. Several times Clearwater tried for three goal kicks, missing each time. Once Lindsey for Mulvane broke through the line for a 70-yard run and almost made a touchdown, but the boys were unable to shove the ball across the goal line. Both lines held well on the defense, but on the offense Mulvane's line lacked, and many plays were spoiled. The feature of the game was Blair's excellent punting, and the splendid tackling of Gail Rutledge who time and time again broke up plays and got the man with the ball behind the line. Paul Rutledge and Ralph Lindsey also did some good tackling, while the star for the visitors was their fullback, Gregory, who was sure a gem—fast and heady, heavy, and almost impossible to stop. He was the main show with the visitors.

Roy Rutledge of Dexter was referee and "Swede" Peterson of Clearwater was umpire.
