

Won Again from Viola

The High School boys closed their first foot ball season last Saturday by winning again from Viola by a score of 13 to 3.

The team went over in the Fords, driven by Ted Citizen, Ernest Thompson and Glen Bland. They were nicely treated by the Viola folks, and the two teams put forth a fine exhibition for the spectators. Mulvane received the kick-off and in three trials made their touchdown, within two minutes of the beginning of the game, Paul Rutledge breaking through the line and sprinting 20 yards for a touchdown.

There was no more scoring until in the third half when Gail Rutledge intercepted a Viola pass and made a touchdown after a race from the center of the field. But the game was not all Mulvane's way. Once Viola had the ball within a yard of Mulvane's goal, on a first down, but the Mulvane line held and Mulvane won the ball.

Viola's score was a pretty drop kick from the 30 yard line by young Dolboom, the heady little quarterback of that team.

Mulvane's line held the best it has ever held, and George Blair did his best work, both in punting and in carrying the ball.
