

## Won From Viola

The Mulvane High school football team won from Viola Saturday afternoon in rather easy fashion, by a score of 33 to 0. Only once or twice was Mulvane's line in danger, and that when the Viola team got away with a forward pass. Both teams played an open game. Mulvane had no trouble holding the Viola team on line bucks, and on the other hand, Viola's line held the Mulvane plungers much better than it did in the previous game. For Mulvane, Tommy Carroll got through tackle for a long run and little Lindsey who played in two quarters dribbled through the line for some nice gains, and also caught a couple of passes for good gains. The player, however, who made the hit of the game, was Carl Kimble, who not only did some dandy work with his interference, but did a high dive into a deep buffalo wallow full of water after the ball. No one asked for his money back after this stunt.

The game was a clean one throughout, and only two or three penalties were inflicted. John Knightly was umpire and a Clearwater boy was referee. The crowd treated Mulvane fine and the boys here are strong for the Viola team as a bunch of good sports. The student body of the school is very small, and some of the players were in the country planting wheat, or the score might have been different.
