

## HIGH SCHOOL NOTES

Mulvane again sends the visiting football team to defeat. Mulvane won the football game last Friday 23 to 0. The touchdowns were made by Eck in the first quarter, second by Landsey, third by Farney and Kumble also kicked a place kick in the third. Landsey showed good generalship, Payne the new half who takes Thomas Carrolls place did good work and Ferguson who played with the team the first year showed great ability of holding the line and tackling. Of the new players, Bidwell and Albright did good work at center and they will be stars by the end of the season. Sealock, the right tackle showed up well in going through the line. Top-person started for Augusta. He showed pep and a knowledge of the game. The Augusta team lacked experience in the game. The visiting team outweighed the home team by almost 10 pounds per man.

The M. H. S. football team will not play a game this week as they had a game with Arkansas City for Friday and on account of the teachers meeting at Wichita which their coach wished to attend, they wanted us to come down Thursday but as it was impossible for us to make the trip on Thursday the game was called off.
