

Cat Softballers End Season On Downer

The post-season season came to an abrupt close for the Mulvane girls softballers when the Wildcats had to forfeit a first-round game in the Wichita Regional Tournament earlier this week.

"We didn't have enough people to play the game because of late-season injuries," said Nancy Winter, the MHS coach. Mulvane would have played Valley Center Monday in opening round action. Mulvane finished the year 0-21.

The regular season came to a close for the Wildcat girls in almost apropos fashion

Thursday, May 11, at home as they were beaten in a rain-filled game by Rose Hill, 24-2.

The loss marked the 20th of the season for the Wildcats, who were 0-20 in the regular season. The second game was cancelled because of rain.
