

MHS Girls Stumble In Twinbills

The offense was sparse and the miscues were not. That combination was unhealthy last week for the Mulvane High School girls softball team as Valley Center swept the Cats Thursday, April 11, then Campus did the same Tuesday, April 16.

VC had little trouble with a 15-0 and 11-0 sweep as Mulvane was held to only one hit, a single by Shaunda Smith in the second game. Campus had a little more trouble before subduing the Cats, 14-4 and 18-1, as MHS's record dipped to 2-8.

"Valley Center is just an outstanding team with four good pitchers to throw at you, but we played well against them," said Charlie Mason, the Wildcat coach.

Against Campus, walks to Kendra Grunden and Jamie Rousseau forced in two runs in the 2nd, Grunden walked again in the 3rd to force in another run and Smith grounded out in the 4th, driving in Dawn Hicks, who had singled.

In the second game, the Cats' lone run came when Stacy Taylor singled, stole two bases and scored when Heather Pearman slammed her 2nd hit of the game.
