

Anthony Wins Tourney Held Here

The salty Anthony Pirates were forced to come from behind in the final stanza last Saturday night to defeat the Mulvane Wildcats 42-40 and to win the Mulvane Invitational basketball tournament.

The four clubs entered were the host club, Anthony, Derby Panthers and Caldwell. Derby downed the Bluejays 61-43 for consolation honors.

The champions, currently sharing top honors with Medicine Lodge with 4 wins apiece in the Southern Kansas loop, trailed the Wildcats 13-11, 23-19 and 34-27. The final quarter spelled the difference in a game Anthony will long remember. The winning bucket was scored by Brand and was his only points of the tilt which in this particular case proved to be mighty.

Peckham was high point man for both clubs with his 15 while Roach of the visiting club came in with 10.

Derby overcame a stubborn Caldwell club after the initial quarter and led 29-21 at halftime and 45-30 going into the final.

Mulvane settles down now to the big task of holding onto their lead in the Chisholm Trails circuit after the holidays. The Wildcats engage Clearwater here Friday night, January 3. At the moment, Mulvane leads the 6 Chisholm clubs with 2 wins against no losses while Clearwater holds a .500 percentage.
