

# Wildcats March On Clearwater

The Mulvane High School Wildcats quintet travels to Clearwater Friday for a game to inaugurate the 1957 section of their schedule. This is a non-league affair, but Clearwater will join the Chisholm Trails circuit as of September this year.

The Wildcats stand at a mark of two wins and a single loss in league battles. They meet Belle Plaine here Jan. 8 and then meet Planeview at Planeview Jan. 11.

During the holidays the Wildcats suffered a couple of losses, one a close one, in the Haven Invitational tournament. On opening night, Dec. 30, the Wildcats lost to the host club, 66 to 50 while Sterling defeated Caldwell. In the finals play, Sterling defeated Haven 50-41 for the crown. Caldwell defeated the Wildcats 39-35 for consolation honors. Peckham paced the locals with 8 points to lead the scorers.
