

Goddard Takes Wildcats, 62-56

(by Gary Kuntz)

The Goddard Lions were unheard of at Mulvane high school for a number of years. Tuesday night the Lions introduced themselves as quite a basketball team, defeating Mulvane 62-56. This was the first time that the two towns have opposed each other in athletic competition.

The Goddard team jumped to an early lead of 7-1. The rest of the ball game was played on an even basis. After the early lead, each team scored 55 points.

A number of times in the second half the Wildcats would pull to within 2 points, but Goddard would come right back and extend their lead to 4 or 5 points.

The high point man in the game was Ross Lamp with 25 points. Playing the post, he played a big part in the Goddard victory. Senior star Cliff Hess was high point man for the Wildcats. His 19 points included 8 field goals and 3 free throws.

Goddard also won the B game 52-49.

Mulvane Box Score:

A TEAM GAME

	fg	ft	pf
Iverson	2	2	5
Norden	0	2	4
Hess	8	3	3
