

Clearwater flows by Cats and scores 78-60 victory

By Gary Martinez

The Clearwater Indians, behind Rusty Selle's 18 points, pinned the 7th loss of the season on Mulvane last Tuesday night. Selle hit his first 4 shots and remained hot throughout the contest. Again the Wildcats defense looked weak as they gave up close to 80 points or more for the second time this season.

Clearwater controlled the game and never allowed the Wildcats to get back

into the contest. In the first quarter Clearwater outscored Mulvane 21 to 16 to take a 5 point lead into the second quarter. The second quarter brought more of the same as Mulvane was outscored by 5 points and trailed at halftime 36 to 26.

In the second half the Wildcats tried to stay close as Robbie Fry again topped the team in scoring. Clearwater in the third quarter again out-played

the Cats and outscored them 16 to 14. Going into the 4th and final quarter, Clearwater led Mulvane 62 to 42. The story of the game was told by the fouls that Mulvane made out of frustration. Coach Pock stated that he thought that Perry Caldwell played his best game of the season.

The B-team lost also to Clearwater. Robbie Fry scored 15 points as did junior Brad Butts.
