Mulvane Finishes 6th

A first appearance in the Roadrunner Classic at Chaparral High School had its ups and downs for Mulvane's boys team.

First the pluses. The Wildcats rapped Clearwater, 72-55, in a consolation semifinal Friday, Jan. 25.

Another plus: the Cats' Mark Storey was named to the all-tournament team.

And now the minuses. Mulvane opened with a 77-44 drubbing by a tough Pratt ball club Thursday night, Jan. 24. And in the consolation championship for fifth place, Wellington stalled its way past Mulvane, 50-43, Saturday night.

"We were really happy to see Mark make the all-tournament team and that was one of our high points," said Mulvane coach Charlie Mason. "He had a good journey."

Against Wellington, the Wildcats couldn't break up a Wellington stall from the middle of the third quarter on. "They couldn't shoot over our zone so they went into a stall," said Mason. "They were the quickest team we've played and they wanted us to go man-to-man. We got within a bucket but couldn't get one down when we needed it."

Storey scored 14 points and Ed Nelson added 13 for Mulvane's top two offensive guns.

Against Clearwater, Gary Fortner scored 14 points, Nelson 11 and Troy Dossey added 12 as Mulvane ran over the Indians with a third-quarter blitz, out-scoring Clearwater, 22-10, to break open a tight game.

In opening-round play, Pratt caught the Cats flat and rang up a lopsided victory. Storey had 14 points in that one and was the only Mulvane player in double figures.
