

# Wildcats Meet Augusta Next

Friday night the Mulvane Wildcats travel to Augusta for a Chisholm League game with the top team of the circuit. Augusta is undefeated in league play, and only Valley Center can still challenge them for top honors.

However, the Wildcats feel that someone has got to stop Augusta at least once this year in the league, and it just might as well be Mulvane that does it. They will be gunning for an upset win.

Last Friday night Mulvane went to Andale where they lost by a score of 60 to 54.

Andale took a 31 to 23 lead by halftime, and then increased their margin by an additional seven points in the third period. In the final quarter the Wildcats closed the gap considerable by scoring 18 points to nine for Andale.

Kimble paced the Mulvane scoring with 7 points, with Wenzel right on his heels with 16 points.
