

Wildcats Down Caldwell, 60-48

The Mulvane high school Wildcats recorded one for the books here Tuesday night by winning their final home game of the current season over the Caldwell Bluejays 60-48.

Although the visitors played a never give up type of ball, the Wildcats hammered away from the opening whistle and kept up their fast pace throughout the contest. The Wildcats wind up their season at Augusta Friday night and then head into the District Tournament play here next Tuesday. A related basketball release is under another heading.

For the men of Jim Parker this was the seventh victory against nine losses. In Tuesday's win Van Tarr with 19 points was the big gun with Clair Ferguson following him with 10 points.

Alfred Lowe got 15 points for the losing Bluejays who were behind at the half 34-27 and never were able to climb the hill.
