

Free Throw Is Victory Margin

By Gary Kuntz

The Mulvane Wildcats gathered their first victory of the season as they tossed out the Buhler Crusaders 50-49. It took a free throw by junior starter Don Reed to break the tie and win the game for the Wildcats. The free throw was scored when there wasn't any time left on the clock. He was fouled just as the horn went off, but the game wasn't over. Don stepped to the foul line and calmly dropped in the winning point.

All of the quarters were played on an even basis. In the first quarter Buhler got 12 points and the Wildcats gathered 10. The second period saw the Crusaders again outscoring Mulvane 14-13. That made the intermission score Buhler 26 - Mulvane 23. The third period was the turning point of the entire ball game as the Wildcats outscored Buhler 14-9. The score at this point was the Wildcats 37 - Buhler 35. At this point it looked like the Wildcats might be ready to pour it on but Buhler had different plans. They outscored the Wildcats in the final period 14-13, but they fell "1" point short.

A player-loss has been announced by the Mulvane Wildcats. Due to an injury to his arm, Wes Wenzel is lost to the team until Christmas and it is possible that he may be lost for the entire year. This was reported by coach Jack Miller.

Buhler won the B team game by a score of 71 to 43.

The Wildcats next game will be at Andale Friday night.
