

Wildcats Win First Cage Tilt

The Mulvane High School Wildcats basketball quintet is batting at 50 percent at the moment, having won over Derby and with a loss to Oxford, but according to Coach Jim Parker's boys' hustle, the opposition will be in for a tough season. Mulvane has get up and go.

The Wildcats entertain Planeview Gremlins here in Mulvane Friday night in a couple of tilts. The B game will get underway at 7:00 p. m.

Mulvane opened the season and did what they set out to do. They defeated the Derby Panthers in the Derby lair last Friday, edging the Panthers 46 to 45. Van Tarr led the scoring section with 19 points, followed by Ray Westfall with 10 and Peckham with 9. Westfall opened the firing with the first field goal of the season. Heading for the whistle with less than a minute to go and trailing 42 to 43, the Wildcats pulled one out of the fire.

Tuesday night the Wildcats lost to a rangier Oxford club, 49 to 38 on the Mulvane court. Mulvane's shot percentage equaled that of Oxford but the locals had difficulty in snagging rebounds. In the Derby tilt, Mulvane clamored for 30 while they were only able to grab 19 against Oxford.

Planeview will come to town with a full set of lettermen back from last season and a couple of hot shots in Jackson and Perry.
