

Wildcats Win Over Leon, 55-53

The Mulvane Wildcats won their second league basketball game from Leon last Friday night with a score of 55-53. Mulvane led all the way with the margin varying 2 to 12 points.

It was a fast moving ballgame with a lot of shots from the field. Most of Leon's shots were taken from out at the edge of the keyhole and from the corners, while Mulvane's were mostly drive-ins and jump shots.

Dick Deavers, the Wildcats' lanky 6'4" post man, poured through 21 points to lead the home team to their fourth victory in their so-far undefeated season. Mobley led the Lions with 18 points.

Leon won their previous league games with Clearwater and Oxford, both by one point, showing these four teams to be pretty much on the same level as far as basketball ability is concerned.

Mulvane will not play any games during the holidays, but will meet Rose Hill January 5 on the home court.
