

# Softballers Clipped

The Mulvane High School girls softball team stepped out into this season in a home doubleheader against Campus but it was the Campus Colts having all the fun. They roasted the Wildcats, 23-2, in the first game, then ripped Mulvane, 38-2, in the nightcap at the Mulvane sports complex.

"It wasn't a good beginning," stressed Cat coach Charlie Mason. "Campus is pretty solid and they had already played a doubleheader. We simply gave up too many walks again and also had a lot of errors. We need to learn to keep the ball in play and make the plays on defense."

That was the big problem in the 1991 season—walks and a porous defense. Mason had hoped a year's experience would be helpful, but the Cats were making the same miscues. Twenty-four walks in the twinbill really hurt.

Mulvane did hit better. The Wildcats had 14 hits. Senior Stacy Taylor went 4-for-5 and Tammy Maxey was 2-for-4.

Mulvane scored two times in the last inning of the first game after the Colts had jumped out to a 23-0 lead. Maxey tripled and scored when Brooke Hansen singled. After a walk to Terri Holman, Taylor slapped an RBI single.

Campus didn't waste any time in the second game, scoring 13 runs in the first inning and coming back with 12 more in the second. Mulvane answered with a run in the first when Taylor and Dawn Hicks singled and Heather Pearman doubled in Taylor.

The final MHS run came in the next inning when Maxey singled with two outs and went to second on a Hansen single. A single by Holman plated Maxey.
