

# Girls Wake Up, Smell The Coffee

Mulvane High's girls have been owning the 4th quarter lately and Coach Gregg Wolgast's Wildeats did it again Tuesday night, Feb. 5, at Valley Center as they pulled away behind a 22-point surge for a 55-46 decision over the host Hornets.

The victory, the 7th in succession for the girls, improved their record to 11-3 and 5-2 in the Chisholm Trail League.

"We just took over in the 4th quarter," said Wolgast. "The girls just woke up and really started playing a lot harder. In the first half, we got out-hustled, but the girls decided to get after it in the 4th quarter."

Especially veteran senior Lisa Heersche, who continued to show a hot hand as she scored a team-high 20 points, 16 coming in the last quarter. He hit 9-of-13 from the field.

Kendra Banzet scored 14 points, Ticia Nicholson had 12 and guards Kerri Taylor and Tricia Turner had five and four, respectively.

In the jayvee game, the Cats won an abbreviated game, 17-10, with Shiela Mills scoring 10 points and Deva Lewis adding five more.
