For a quarter, it looked like the Mulvane High School Wildcat girls were going to make a game of it Friday night, Feb. 10, but Andale pulled away in the second half to spank the visiting Cats, 49-27, in a Chisholm Trail League game.

The loss left Mulvane's girls at 1-16 overall and was their 14th straight setback.

The Wildcats were hanging tough the first quarter, trailing only by one, 11-10, but the Indians went on the warpath in the second half, out-scoring Mulvane, 28-11, to pull away.

Center Janelle Wenke led Mulvane's scoring with 11 points. Next high was sophomore Crissy Carpenter with six points and Courtney Renfro had four points.
